# Community Garden

The Pastor's Sunday School class is exploring the possibility of creating and maintaining a vegetable garden this summer. The produce would be offered to folks in our community to minister to needs and to provide outreach from our church. The class needs help and expertise in this ministry. Anyone interested in helping out please see Jess Thompson or Jodi Dudley.

**GETTING THERE**  
 our journey to impact an unreached world

First step: **PRAYER!**

We will begin our journey this year to impact one of the unreached people groups of Oaxaca (pronounced wah-haak-kah), Mexico. Over the next several years we will look for ways to reach this group with the gospel. The first step is prayer. We invite you to pray daily for the people of Oaxaca and to ask God to continue to lead us in our endeavors. Watch for more information in the coming weeks.
